

EL PUEBLO HOMEOWNERS AND PROSPECTIVE HOMEOWNERS

Live where you love to vacation is our slogan. El Pueblo is a beautiful place to call home or home-away-from-home. While you enjoy assurance of the quality of your townhouse, built by River Construction, you also realize that your home enhances the scenic surroundings of this red rock desert we call Tom's Canyon.

For many of you living in a Planned Community, like El Pueblo, is a new experience. We hope you will savor these obvious advantages:

You live where you love to vacation. You are a co-owner of all the open space parks, playground, pool and clubhouse. You have the security of private streets. You can go on vacation, or own a second home, and not worry about yard care year round. You live near three National Parks, Zion, Bryce and The Grand Canyon. You are on the steps of The Grand Staircase National Monument, and Scenic Lake Powell.

Each Member of the community should become aware of the importance of being familiar with the CC&R's (Covenants, Conditions, and Restrictions). You can download and print a copy at www.laestancia.info.) These CC&R's provide protection for residents and their property rights associated with El Pueblo Homeownership. (The HOA Rules and Regulations may also be downloaded at this site.)

Our desire is for El Pueblo to always maintain the highest standards for community living and beautification. The grounds maintenance crew spends hours maintaining and improving the unique environment of El Pueblo. They are responsible for all the outside landscaping, clubhouse, ponds, parks, children's playground, and sprinkler systems. Let's always be respectful of them and show our appreciation for their efforts.

La Estancia Development, LLC and River Construction, Inc. appreciate each of you as Homeowners and as customers. From the earliest homeowner moving in, to the time of community turn-over, we will provide guidelines for your personal protection and safeguard your investment. The guidelines that have been set forth have been evaluated, well thought out, and comply to mandates of state law.

In addition to the CC&R's, the following are the Rules and Regulations established for El Pueblo. The Rules will remain in effect until modified.
